Dear CDCRM team,

I am Alla Sarkisian, a Business Management major at California State University, Northridge. I am reaching out regarding the Sales and Business Development internship opportunity at Hermes I found on the LinkedIn website on March 1, 2024. I have experience in Fashion, such as organizing Fashion weeks and events.

Because of my previous experiences in fashion weeks, I can proudly state that I am able to take initiative and work both independently and in groups. I am also able to prioritize and multitask in highly complex work environments, since I used to work at a DME company for medical supplies, and the major part of my job was to make sure that all the patients were satisfied and none of them were past the due for their supplies.

While I was doing internships during fashion weeks, I developed skills such as being time sensitive, accurate and highly dependable. My job during the fashion week was to organize the venues, manage the models, and take care of the guests who arrived. Since my major is Business Management, I was enrolled in Information Systems class, where we learned how to use Excel, Power Point, Microsoft Word and other programs. I had a grade of A in Information systems, and my GPA is currently at 3.7.

I strongly believe that with my qualifications, we can work together and help Hermes Cosmetics prosper.

I would love to meet for an interview and discuss the aspects of this internship. Please, don't hesitate to contact me via phone or email. Thank you for your time.

Sincerely,

Alla Sarkisian
